1. I hereby consent to disclose the above information.
2. All **new** coaches must accompany this application with a recent criminal background and vulnerable sector check. Visit <http://www.sterlingtalentsolutions.ca/landing-pages/h/hockey-new-brunswick> to complete this requirement.
  - I understand FYHA's policies and conditions with respect to providing a criminal background and vulnerable sector check. It is within FYHA's policies to have criminal background and vulnerable sector checks completed every 3 years. Those who received their background checks during the **2014-15** season must provide FYHA with updated versions of these with their coaching applications. <http://www.sterlingtalentsolutions.ca/landing-pages/h/hockey-new-brunswick>
3. You must contact John O'Toole at FYHA office and make arrangements to receive a Police Clearance Letter prior to heading to City Hall or a local RCMP branch to complete your background check. Both the RCMP and city of Fredericton now require an original signed document, confirming your status as a volunteer with FYHA.
4. The deadline to receive all other coaching certifications is December 15, 2017. Failure to receive all mandatory certifications will result in removal from the bench/ice – **No Exceptions.**
