

## THE PROMISE

The **Brendon Oreto Hockey School** is designed to give young male and female hockey players an opportunity to prepare for their upcoming hockey season in an exciting and challenging environment. Our roster of high caliber coaches have developed on-ice sessions geared specifically to developmental requirements of players at each of the Novice to first year Bantam levels for the 2023/24 hockey season.

## THE PURPOSE

All proceeds will go to the Brendon Oreto Foundation, a nonprofit organization, and will be used to assist families who have difficulty providing equipment and fees for their children.

Brendon Oreto was a former Fredericton AAA player who excelled at hockey before his accidental death in December 1998, at the age of 19.

The Brendon Oreto Foundation was established to honour Brendon and preserve memories of him and his accomplishments.
